### PROJECT DESCRIPTION

This project, to be carried out by the Sundale Union School District, involves the planting of 30 trees on the campus of Sundale Union school. It is anticipated that this project will commence in March of 2013, and be completed by March 2015. Trees will be native and non-native ornamentals that have been selected for their disease resistance, adaption to the urban landscape, shade capacity, and minimal litter production. Trees will be planted using 15 gallon commercial stock. All trees will be planted, staked and tied, watered and maintained in accordance with CAL FIRE guidelines.

### EXEMPTION STATUS

- ☒ Categorical Exemption Type/Section: Class 4 15304 Minor Alterations to land  
☐ Statutory Exemption (state code section):  
☐ Ministerial (§21080(b)(1); 15268)  
☐ Declared Emergency (§21080(b)(3); 15269(a))  
☐ Emergency Project (§21080(b)(4); 15269(b)(c))

### REASONS PROJECT IS EXEMPT

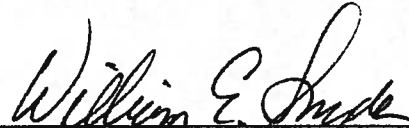

As lead agency under CEQA, the California Department of Forestry and Fire Protection finds that this project is Categorically Exempt from further environmental review. This project involves minor alterations to land and vegetation including the planting of new landscaping trees. As this is a heavily disturbed urban environment there is a low likelihood of impacting any significant resources; including cultural, historic, and biological resources. CAL FIRE finds that the proposed activities will pose a less than significant impact to the environment.

As lead agency under CEQA, the California Department of Forestry and Fire Protection finds that this project is Categorically Exempt from further environmental review. This project involves minor alterations to land and vegetation including the planting of new landscaping trees. As this is a heavily disturbed urban environment there is a low likelihood of impacting any significant resources; including cultural, historic, and biological resources. CAL FIRE finds that the proposed activities will pose a less than significant impact to the environment.

☐ Statutory Exemption (state code section):  
☐ Ministerial (§21080(b)(1); 15268)  
☐ Declared Emergency (§21080(b)(3); 15269(a))  
☐ Emergency Project (§21080(b)(4); 15269(b)(c))

**REASONS PROJECT IS EXEMPT**

As lead agency under CEQA, the California Department of Forestry and Fire Protection finds that this project is Categorically Exempt from further environmental review. This project involves minor alterations to land and vegetation including the planting of new landscaping trees. As this is a heavily disturbed urban environment there is a low likelihood of impacting any significant resources; including cultural, historic, and biological resources. CAL FIRE finds that the proposed activities will pose a less than significant impact to the environment.

### PROJECT DESCRIPTION

This project, to be carried out by City of Livingston, involves the planting of 347 trees in Livingston's urban settings, including streets, existing landscaped city parks, and other developed urban areas. It is anticipated that this project will commence in March of 2013, and be completed by March 2015. Trees will be native and non-native ornamentals that have been selected for their disease resistance, adaption to the urban landscape, shade capacity, and minimal litter production. Trees will be planted using 15 gallon commercial stock. All trees will be planted, staked and tied, watered and maintained in accordance with CAL FIRE guidelines.
